A report on Celebration of International Day of Biological Diversity at IFB, Hyderabad.

International day for Biological Diversity, 2020 was celebrated at IFB, Hyderabad, Telangana on 22.05.2020 from 10:00 AM onwards. Keeping in view the present Covid-19 pandemic situation, the guidelines of MoH & FW, GoI and Telangana State Govt. were followed and neither participant from outside invited. The main objective of the celebration is to spread awareness about the importance of biodiversity conservation, management and sustainability. The theme of this year's celebration is ***“Our Solutions are in Nature”***.

The celebrations were marked with plantation program at the IFB campus with limited number of Scientists, Officers, Research fellows etc. The plantation program was inaugurated by Shri D. Jayaprasad, IFS, Director, IFB.

In his address he highlighted the importance of biodiversity conservation, management and sustainability. He also highlighted that there is utmost need to sensitize the local community for the biodiversity conservation through traditional knowledge and Peoples' Biodiversity Registers (PBRs). On this occasion, elocution program was conducted for IFB staff. The topic was Biodiversity.
